

Welcome to Department of Business Administration

MMCC • NURTURING FUTURE BUSINESS LEADERS

MMCC is one of the pioneering colleges to start these innovative programs, setting a benchmark in business education. The Department of Business Administration at MMCC is dedicated to nurturing and shaping future leaders through comprehensive academic and extracurricular programs.

The department runs two specialized undergraduate courses:

BBA (Bachelor of Business Administration)

A robust program designed to equip students with foundational knowledge and skills in core business domains such as marketing, finance, human resources, and operations management.

BBA IB (Bachelor of Business Administration – International Business)

A program focused on developing expertise in international trade, global markets, and cross-cultural management to prepare students for the global business environment.

Both programs, BBA and BBA IB, are affiliated with Savitribai Phule Pune University (SPPU) and are approved by the All India Council for Technical Education (AICTE).

KEY FEATURES OF THE DEPARTMENT

Experienced Faculty

The department boasts experienced and qualified full-time and visiting faculty, ensuring multidisciplinary learning and comprehensive academic delivery.

Personality, Grooming & Soft Skills

Special focus is given to enhancing students' personality, grooming, and communication skills to build confidence and professionalism.

Holistic Development

The department emphasizes the all-around development of students, ensuring they are well-prepared for both professional and personal challenges.

Placements

The department has a strong placement cell that ensures excellent career opportunities for students in leading organizations.

Extracurricular Activities

A wide range of activities, including cultural programs, societal engagement, and community service, are organized to foster teamwork, creativity, and social responsibility.

Certificate Courses

In collaboration with external bodies, the department offers various certificate courses to enhance skill sets and industry readiness.

Student Progression

The department actively supports student progression by facilitating higher education opportunities and career placements.

Industry-Academia Balance

With a focus on bridging the gap between academic knowledge and industry requirements, the department ensures students are industry-ready by providing practical exposure and interactive sessions with industry experts.

The Department of Business Administration is committed to excellence in education and creating professionals who can contribute meaningfully to the business world and society at large.
