

Welcome to Department of Commerce

EXCELLENCE IN EDUCATION, RESEARCH & PROFESSIONAL GROWTH

The Department of Commerce started in 1986 with the objective of catering to young aspirants. From a few hundred students in 1986, the Commerce stream has grown by leaps and bounds, and at present, there are five divisions of F.Y.B.com.

B.Com. is a three-year undergraduate full-time course spread over six semesters, which confers a graduate degree to the student. The department also offers higher education opportunities through Master's in Commerce (M.Com.) and a specialized PG Diploma (Advanced Course in Banking, Finance and Insurance).

PROGRAMS OFFERED

- **Bachelor of Commerce (B.Com.)** – Three-year full-time undergraduate degree (6 Semesters)
- **Master's in Commerce (M.Com.)** – Postgraduate degree program
- **PG Diploma** – Advanced Course in Banking, Finance and Insurance

The Department is focused on the overall development of the students through proper education and exposure to the varied fields of Commerce and Management. We offer a holistic and robust learning environment with a unique combination of curricular, co-curricular, and extracurricular activities for student development.

Activities like seminars, competitions, career guidance sessions, and Industrial visits are arranged throughout the year. Students are encouraged to participate in various curricular and extracurricular activities. Our students consistently perform remarkably well in academics, sports, and cultural activities. Eminent personalities and experts in various fields visit us regularly to guide and inspire students.

Industry Collaboration

We maintain strong ties with the industry to ensure our curriculum is aligned with current market trends and demands. Regular guest lectures, workshops, and internships provide students with practical insights and hands-on experience, bridging the gap between academic theory and industry reality.

Research & Innovation

The Department of Commerce is dedicated to promoting research and innovation. Our faculty and students are actively involved in research projects that address contemporary business challenges and contribute to the body of knowledge in commerce and global trade.

Alumni Network

Our graduates have gone on to build highly successful careers in diverse fields, including finance, marketing, consulting, and academia. They continue to actively support the department through mentorship programs, guest sharing, and networking opportunities, helping current students confidently navigate their career paths.
